

We are very proud of the Epps Rock Band this year and very sad at the same time. We have five of our eight members leaving primary school for high school next year.

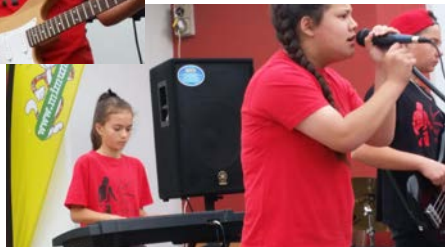

**Chloe Nguyen and Jack Langley** have been with the band for the past 3 years and **Louis Hondzeas** for the past 2 years. Chloe's vocals and innate sense of music and Jack's awesome bass playing will be hard to replace. Louis has brought a quiet sense of purpose to the band and his solo feature on the original composition really rocks.

# Epps Rock Band 2014

**Jemmah Rattley and Rebecca Lee Ireland** after only joining us at the beginning of this year as vocalists are also leaving. We have really enjoyed their enthusiasm and the essence they brought to the band.

**Well done!**

The band has performed at markets, concerts, primary schools, festivals and at the Festival Theatre.

The biggest opportunity for us thus far has been composing an original song. Members of the band were asked to come up with all components of the song (with a little help) and we think they have done really well. "It's Time" is featured on the CD and was performed for the first time at the Instrumental Music Night last week. Keep your eye on the music charts, *you just never know.*

# Mawson Lakes Market

We will be auditioning at the beginning of next year and hope that we have lots of people come along to the auditions.

It has been a very busy end of year for us and Joel Cooke and I wish all the band members the very best. WE are sure that if they continue as they have started, each and every one of them will have a really successful future in music.
